Featured Speaker

Pamela M. Yates, Ph.D. has worked extensively in correctional and forensic settings as a clinician, researcher, program developer, program evaluator, and trainer, as well as in executive management. She has worked with youth and adults, including adult sexual offenders, violent offenders, and individuals with substance abuse problems, as well as with victims of violence. She has developed treatment programs for various offender groups, including internationally accredited programs, and is a certified trainer in various actuarial risk assessment instruments. She has written and co-authored numerous reports and presentations in the areas of offender rehabilitation, treatment effectiveness, and program accreditation and evaluation. She is the primary author of *Applying the Good Lives and Self-Regulation Models to Sex Offender Treatment: A Practical Guide for Clinicians* and *Building a Better Life: A Good Lives and Self-Regulation Workbook*, and provides consultation and training in prisons, forensic settings, and community settings internationally.
